

Project Update: Ansley Park Streetscape Improvement Project

City of Atlanta
Department of Public Works

Richard Mendoza, Commissioner

August 2014

Project: Ansley Park Streetscape Improvement Project
Project ID#: 0006572 **CD:** 6 **NPU:** E **Contractor:** S D & C Incorporated

Description: The Peachtree Circle project is the first phase of the Ansley Park Streetscape Improvement Project. This project will construct a roundabout and provide pedestrian facilities at the intersections of Peachtree Circle and 15th Street and Peachtree Circle and The Prado. The Project limits are along Peachtree Circle from 15th Street to Peachtree Street. Project improvements will reduce the overall widths at the pedestrian islands from the existing 30-100+ feet in each direction, to 15-23 feet. New pedestrian islands will include five-foot sidewalks.

Other elements of the project include the installation of roundabouts with landscaped intersections, the construction of channelization islands and medians—landscaped and granite cobble stones, the construction of ADA ramps and sidewalks and a 5-foot sidewalk in the pedestrian island.

Phase: Construction completed

Schedule Status: On schedule

Construction Start Date: September 2013

Funding Sources: Federal TE (Transportation Enhancement) & Local Funding

Project Status: The project is scheduled for completion in September 2014.

- This project is completed. The contractor has addressed all final punch-list items.

Please note: Final landscaping installation will be coordinated through the Ansley Park Civic Association (APCA).
